Process and Finalization:

All payments in full must be made 14 days before rental date. Payment options include payment of full amount upfront or in half, with the first installment made 14 days before the event and the final installment on the day of rental. Cancellation of rental can be made no later than 7 days before event day, in which case refund of half of initial deposit will be made to renter. Upon finalization of rental service, a contract reflecting terms of agreement will be made for the renter to sign and return within 14 days of rental.
